## Minutes from the School Council Meeting

- Students were asked to put themselves forward to act as Chairperson, Secretary, and Treasurer
- Callum Crawford 11Pem, Ben Buky 10Han, and Alex McNally 11Kni are running for chairperson. The new chairperson will be voted in at the next meeting

### Issues Resolved

- 1) What charities should the school support?

Councillors arrived with many ideas for charities to support for the academic year. Charities were voted for and it was decided KTS will support the following charities. Local: **Garden House Hospice**, National: **Great Ormond Street Hospital**, International: **Save the Children**.

### Issues Discussed

- 1) Make up rules for year 9. Year 9 students suggest that make up should be allowed as part of the uniform code. However, the need for make-up use to be monitored was also agreed might be an issue. Year 9 propose that discrete, natural make up (e.g. to cover blemishes) should be permitted
- 2) Year 10 and 11 discussed the need for a homework holiday to be incorporated into the school year around the time of mock exams. The homework holiday would mean only revision tasks were set in the two weeks leading up to mocks
- 3) Access arrangements – access to music rooms was requested by year 8 students for solo practise during break and lunchtime. The possibility of lower school students being able to use the sixth form corridor was discussed (and strongly opposed by sixth form representatives!).
