

**Don't practise  
until you get it  
right.**

**Practise until you  
can't get it wrong.**

# *KTS Practice makes permanent...*

year 11 form time workshops

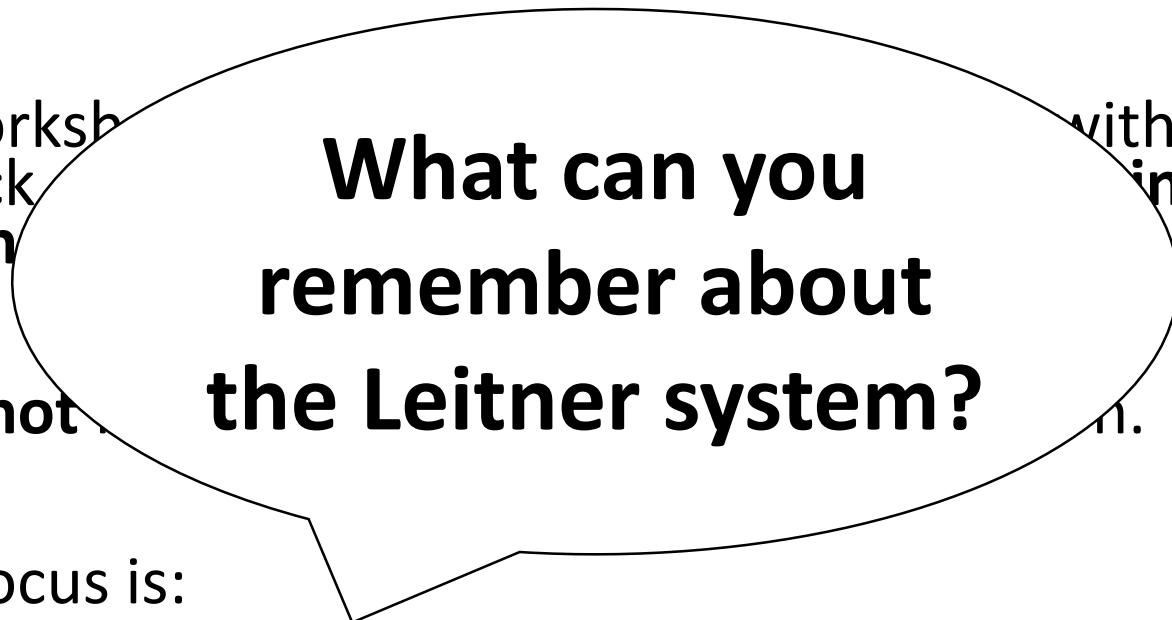

- Over the next few weeks, you will be focusing on **key revision skills** in form time.

- These workshops will help you to put your mock **place at home**

- They do not...

- Today's focus is:

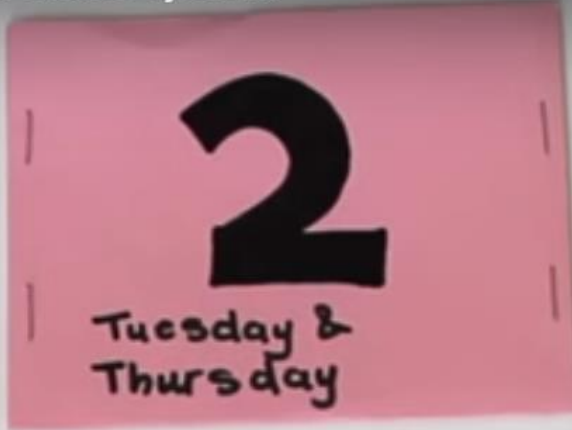

*The Leitner system in 5 easy steps*

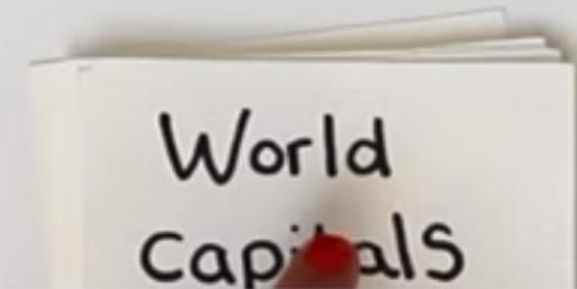

**What can you  
remember about  
the Leitner system?**

Number 1 is studied the MOST frequently with number 3 the least!

How to study flashcards using the Leitner system

**Step 1:** You need a set of flash cards and 3 boxes or envelopes.

**Step 2:** Label each with a number and the day/frequency you plan to study it.

# *KTS Practice makes permanent...*

year 11 form time workshops

**Step 3:** All the cards start in number 1 ready for you to test yourself.

# *KTS Practice makes permanent...*

year 11 form time workshops

**Step 4:** If you get the answer **right**, the card goes in number 2. This means you will go over this card **less regularly**.

# *KTS Practice makes permanent...* year 11 form time workshops

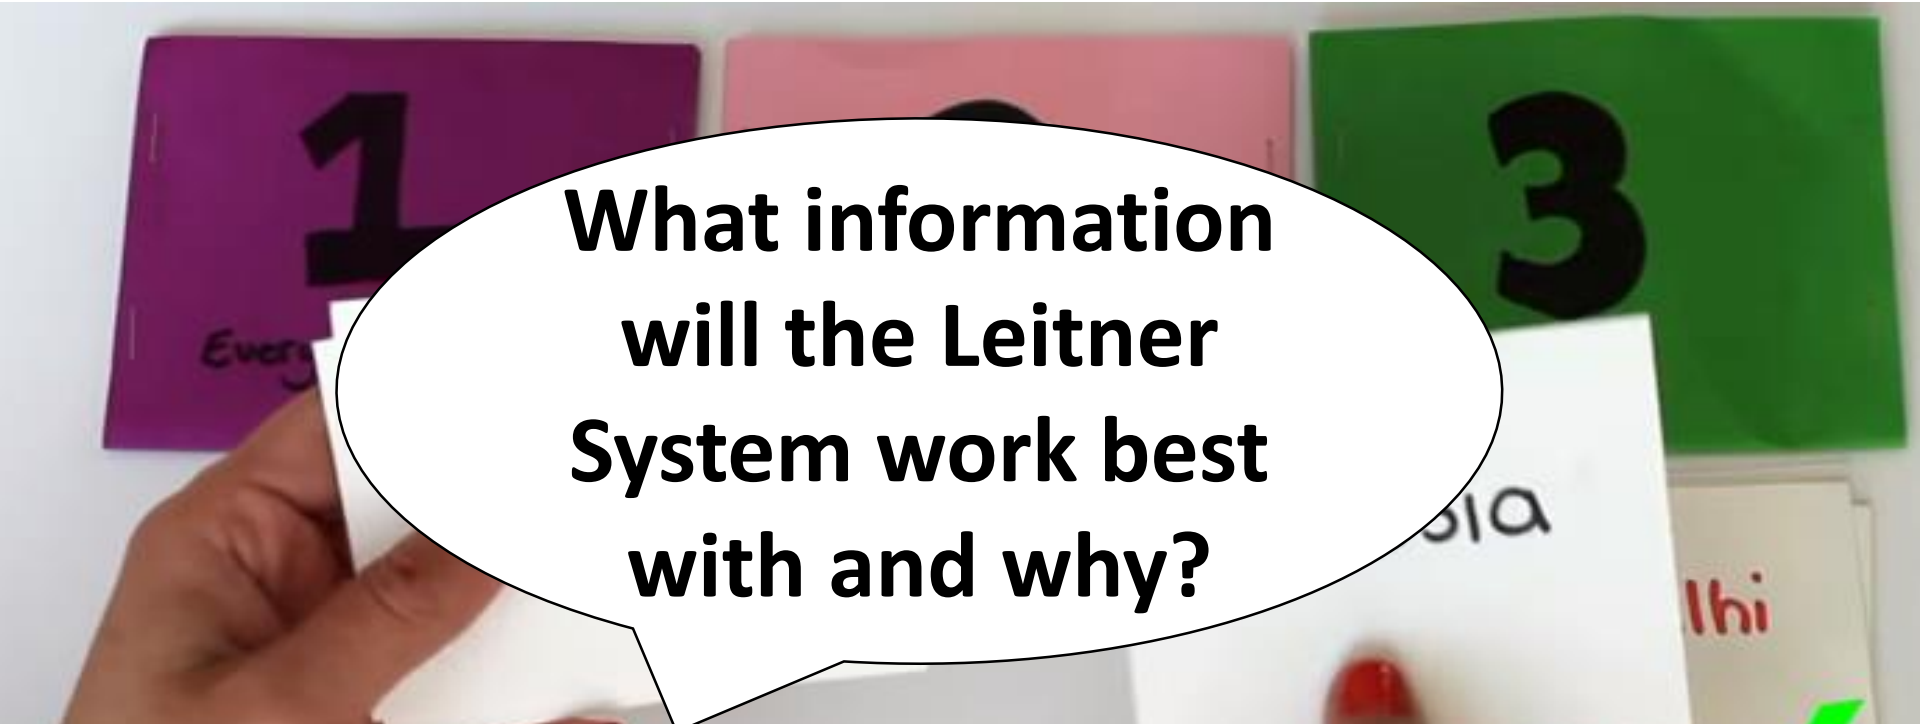

*Step 5:* If you get the answer **wrong**, the card goes back in number 1. This means you will go over this card **more regularly**.

**What information  
will the Leitner  
System work best  
with and why?**

The *Leitner System* means you go over the stuff that you're less confident on, more often! The stuff you know best, you revisit less.
